RESOLUTION

New Delhi, the 9th November 1951

No. DW.II-12(17).—The construction of the Hirakud Dam Project, the first of the three schemes, viz. Hirakud, Tilkberpara and Naraj, in the unified development of the Mahanadi Valley in Orissa was undertaken by the Government of India through the agency of the Central Waterpower Irrigation and Navigation Commission (renamed Central Water and Power Commission), at the request of the Government of Orissa who accorded administrative approval in 1948. According to the financial and other terms of agreement entered into with the Government of Orissa, the Government of India have agreed to advance the entire moneys required for the construction of the Project as loan to the State Government. The expenditure on the Project except that on the acquisition of land is under the control of the Government of India. Government of India in the Ministry of Finance have appointed a Financial Adviser and Chief Accounts Officer who is stationed at Hirakud and is the disbursing and Accounts Officer for the Project. An Accounting Procedure for observance by the Financial Adviser and the Chief Accounts Officer and by the officers executing the Project was prescribed by the Ministry of Finance in consultation with the Auditor General (now Comptroller and Auditor General) of India.

2. In view of certain difficulties experienced in the working of the system as so far prescribed, Government have decided to appoint a Departmental Committee to enquire into the matter.

3. The Hon'ble Minister for Natural Resources and Scientific Research has therefore set up a Departmental Committee consisting of:—

- (1) Mr. G. M. McKelvie, I.S.E., Road Development Adviser and Joint Secretary to the Government of India, Ministry of Transport, New Delhi.
- (2) Mr. P. C. Padhi, I.A. & A.S., Accountant General.
- (3) Mr. C. M. Bennett, I.S.E., Chief Engineer, Public Works Department, Orissa (Member Secretary).

The Committee will start functioning as soon as possible and will report to the Government of India within six weeks of commencing their work on the:—

- suitability and adequacy of the accounts organisation and the mechanism of financial control prescribed for the project;
- (ii) sufficiency or otherwise of the arrangements hitherto obtaining in so far as they relate to technical control over the execution of the project; and
- (iii) reasons for the excess over the sanctioned estimates that has occurred in the construction of the Rail-Road bridge over the Mahanadi at Sambalpur.
